3 Benefit Plans (general terms)

3.1 Payment of benefits
Liberty will only pay the benefits of this policy if:
a Your claim is valid;
b You have paid all your premiums;
c All the terms of cover have been met; and
d You correctly provided your age and other important information at application stage.

3.2 Important: Exclusion for pre-existing conditions
Liberty will not pay any claim in the first twelve (12) months after the start (or reinstatement) of cover, whether directly or indirectly related or associated with any pre-existing condition you (or an extra Life Insured) had prior to cover starting. This includes conditions whether medically treated or not, where the pre-existing symptoms or signs were present, but a diagnosis might not have been made:
a e.g. including but not exclusively the following medical conditions:
• Heart disease, angina or heart attack, high blood pressure or high cholesterol;
• Cancer or tumour;
• Stroke;
• Visual problems;
• Neurological symptoms or diagnoses e.g. multiple sclerosis, Parkinson's disease or tremor, epilepsy or fit;
• Dementia;
• Kidney disease;
• Psychiatric disorders as defined in DSM;
• Pneumonia, asthma, TB (tuberculosis) or lung disease;
• Paralysis of any form, any disability or functional impairment of any kind; and
• Diabetes or abnormal blood sugar.
b The use of any form of chronic (long-term) medication or conditions where medication has been taken for more than 14 days;
c Conditions requiring any special test (like a scan or X-ray) which may or may not have required medical treatment;
d Any treatment during the past twelve (12) months for any form of back-illness, hip, knee or shoulder problem.

The exclusion applies only in the first twelve (12) months of cover, thereafter the Life Insured will have full cover.
The accident or illness that has directly resulted in the claim must have occurred during the period of cover, after the credit agreement starts and before the benefit expires.
No claim will be allowed for any condition where a previous claim for the same (or related) condition was already paid under the same or any other Liberty credit life insurance policy for the same underlying credit agreement. The claim event must also have occurred after the credit agreement was commenced.

3.3 **Increases to credit agreement amount**
If the loan amount for the credit agreement that this credit life insurance applies to is increased, then all waiting periods and exclusions mentioned will apply in full to the increased portion from the date of the increase.

3.4 **Limit of cover**

The highest cover for each Life Insured is **R300 000**.

3.5 **Surrender Benefit**

The policy has no surrender cash value. This means it does not pay out anything if you cancel it.

4 **Death cover**

If you die while this policy covers you and the claim is valid, Liberty will pay the Beneficiary the death benefit. All cover then ends, and Liberty is no longer liable under this policy. When you turn 75 Death cover ends and no further death benefits will be paid.

4.1 **Benefit**

The death benefit amount is equal to the amount you owe on the loan (excluding late payments) on the date of death, together with any interest for up to 12 months. The most Liberty will pay for each Life Insured is **R300 000**. An additional benefit amount of **R40 000** will be payable upon your death. This is paid in addition to the death benefit amount, irrespective of the outstanding amount on the credit agreement. This amount will be paid into the credit facility. However, this additional benefit is only payable if the death claim is accepted as a valid claim as per the Terms and Conditions of this policy.

4.2 **Suicide exclusion.**

If you die by your own deliberate actions (commit suicide) within two years of cover starting (or being re-instated), Liberty will not pay any benefit.

5 **Total and Permanent Disability Cover**

If you become totally and permanently disabled as described below, Liberty will pay the Beneficiary the total and permanent disability benefit. Total and permanent disability is when any accident, or illness or operation:

- a completely and continuously prevents you from doing any job or activity in return for money; or
- b causes you to lose (or permanently lose the use of) both hands, both feet, or one hand and one foot, or to lose the sight in both eyes.

5.1 **Benefit**

The total and permanent disability benefit amount is equal to the amount you owe on the loan (excluding late payments) on the event date, together with any interest for up to 12 months. The most Liberty will pay for each Life Insured is **R300 000**. An additional benefit amount of **R40 000** will be payable upon your becoming totally and permanently disabled. This is paid in addition to the permanent disability benefit amount, irrespective of the outstanding amount on the credit agreement. This amount will be paid into the credit facility. However, this additional benefit is only payable if the permanent disability claim is accepted as a valid claim as per the Terms and Conditions of this policy. When you turn 65 Total and Permanent Disability Cover ends, and no further benefits will be paid. If two of you are covered, and the oldest Life Insured turns 65, the cover ends for both of you. Once this cover ends, the benefit plan will convert to Plan K (death only cover).

5.2 **When the benefit is paid**

Liberty will pay the Beneficiary the total and permanent disability benefit. The claim will be valid if:

- a Liberty is convinced the disability is permanent;
- b you gave Liberty proof of total and permanent disability;
- c the accident or illness that caused total and permanent disability happened during the period of cover and before the benefit expires; and
- d No claim for death or dread disease for either Life Insured has been approved.

6 **Temporary Disability Cover**

If you suffer temporary disability as defined below, Liberty will pay the temporary disability benefit.

Temporary disability is when you cannot earn money doing any business, activity or job because of:

- a Illness or disease; or
- b an accident (a sudden external, violent, unexpected event, which results in injury), which stops you from doing any job or business, directly or on its own. You are regarded as temporarily disabled if you have to stay at home continually or in hospital on medical advice.

6.1 **Benefit**

The temporary disability and sickness benefit amount is equal to the monthly instalment (payment) you must pay immediately before the insured event happens. Where you pay other than every month, the benefit is the equivalent monthly payment. If Liberty has already paid the full benefits for 12 months under a previous claim, **it will not pay** any further amounts if you become temporarily disabled later. The policy continues and claims for other benefits can be made.

6.2 **When the benefit is paid**

Liberty will pay the Beneficiary the temporary disability and sickness benefit while you are ill or temporarily disabled, but:

- The benefit **will not be paid** during the first 30 days of temporary disability;
- The benefit **will not be paid** for more than 12 months;
- If you have lost only part of your income the benefit will be reduced accordingly (based on how much you have lost);
- You must prove that you are still temporarily disabled;
- The accident, illness or disease that caused temporary disability must happen during the period of cover and before this benefit expires;
- The benefit will not be paid if a death claim was paid for any Life Insured.
- Liberty regards the temporary disability as ended when its medical adviser says the illness or bodily injury is healed or cured as far as reasonably possible, even if there is still some permanent disability.

7 **Retrenchment Cover**

If you chose this cover at the start of the policy and there is a loss of employment (as defined), Liberty will pay the Beneficiary the retrenchment benefit. But this does not cover any:

- contract, seasonal, part-time, temporary or casual workers; or
- self-employed people or workers that mostly earn commission;
- employment by any business in which the Life Insured is a partner, member or director or owns a share exceeding 10%.

7.1 **Benefit**

The retrenchment benefit is equal to your regular monthly loan repayment amount, limited to the last amount you had to pay before you were retrenched. If your loan repayment is paid other than monthly, the benefit is the equivalent monthly payment. Liberty will pay the benefit amount while you are unemployed, for up to 18 months. The insurance premium for this policy will be waived while the retrenchment benefit is being paid.

7.2 **When the benefit is paid**

Liberty will pay the retrenchment benefit to the Beneficiary while you are unemployed. The following conditions will apply:

- a the retrenchment benefit for the first twelve months after the policy starts is not covered (waiting period).
- b the retrenchment benefit will not be paid for more than 18 months. After this the retrenchment cover ends and no further retrenchment benefits will be paid. The initial payment of the retrenchment benefit will be for 6 months. Should there be a need for a continuation of a retrenchment claim, an affidavit from the SAPS will be required, which states that the Life Insured is still unemployed. Liberty will then pay for a further 6 months limited to the outstanding balance of the loan. Should there be a need for a further continuation of a retrenchment claim, an affidavit from the SAPS will again be required, which states that the Life Insured is still unemployed. Liberty will then pay for the remaining 6 months limited to the outstanding balance of the loan.
- c no death or total and permanent disability or dread disease claim may have been approved for either Life Insured.
- d the loss of employment must happen while cover is in place and before you turn 65.

7.3 **Important: Specific limits/restrictions to liability for Retrenchment: Liberty does not cover any claim if:**

- a you resign, elect to be retrenched or retire from your employment;
- b your fixed-term contract expires;
- c you finish the job you were specifically employed to do;
- d you work at a branch or office outside South Africa;
- e you knew or should have known when the cover started that you would become unemployed or be retrenched;
- f you had not been working continuously for at least 12 months before losing your job.

You lose your job because:

- g you take part in an unprotected strike;
- h of misconduct, fraud or dishonesty;
- i you are sick or become disabled or have a medical condition;
- j you take part in a crime;
- k of nationalisation or other government action.

Liberty does not pay any further amount under this benefit if you lose your employment again after the full benefit was paid.

This benefit ends when you turn 65. If two of you are covered, and the oldest Life Insured turns 65, the benefit ends for both of you. The benefit plan then converts to Plan K (death only) and the premium will be adjusted accordingly.

8 **Dread disease (Critical Illness) cover**

Liberty will pay the Beneficiary the dread disease benefit if:

- you are diagnosed as suffering from a dread disease as defined below;
- you suffer impairment because of the dread disease as defined below during the period of cover; and
- All other claim requirements are met.

8.1 **Benefit**

The dread disease benefit payable at the date of claim is equal to the amount outstanding on the loan (excluding late payments), together with any interest for up to 12 months. The highest dread disease benefit is **R300 000** for each Life Insured. An additional benefit amount of **R40 000** will be payable upon your being diagnosed with a dread disease and

- resultant impairment. This is paid in addition to the dread disease benefit amount, irrespective of the outstanding amount on the credit agreement. This amount will be paid into the credit facility. However, this additional benefit is only payable if the dread disease claim is accepted as a valid claim as per the Terms and Conditions of this policy.
- 8.2 **When the benefit is paid**
Liberty will pay the Beneficiary the dread disease benefit amount, if the claim is valid and:
- Liberty is convinced by the proof of impairment;
 - the impairment happened during the period of cover and before this benefit expires; and
 - no death or total and permanent disability claim has been approved for either Life Insured.
- 8.3 **Impairments (serious medical conditions) covered and definitions**

The policy covers you from when the first premium is received, as long as all other terms of the policy are followed. Liberty will pay the Death Cover benefit amount to the Beneficiary if you die because of an accident (as defined below) before paying the first premium, as long as you had completed all appropriate proposals (applications) for credit life insurance and Liberty had already accepted these proposals and the insurable risk.

	Accident	An accident is a sudden external, violent, unexpected event, which results in injury or death.	
11	Policy Termination and end of Cover	This policy and all cover under it end as soon as any of these happens: a Your personal loan is paid off; or b Your personal loan/overdraft facility is cancelled; or c The 31 days of grace are over and you have still not paid any outstanding premium; or d A benefit for death, total and permanent disability benefit or dread disease is paid; or e You turn 75. Where joint lives are covered and the oldest Life Insured turns 75, cover for the oldest Life Insured ends, but cover for the other Life Insured continues until age 75; f The policy is cancelled because of legal action to recover the loan debt; or g The premium paying account goes into debt review and no premiums are received on the policy; h If your premium paying account goes into a legal status resulting in us being unable to collect the premiums due, the policy will cancel; or i When either you, or Liberty cancels the policy.	14
12	Premiums		
	Premiums you must pay	The premiums are the monthly amounts you pay for insurance benefits cover.	
12.1	Changes to monthly premium:	The monthly premium also changes according to the average outstanding loan amount. The total premium you pay on joint lives (for two people) is the premium rate for the older Life Insured, plus a discount on the premium for the younger Life Insured. An administration charge of R4.00 per month is levied to maintain the policy.	15

	Legal Statuses	If the account from which the premiums are debited goes into a legal status resulting in us being unable to collect the premiums due, the policy will be cancelled.	15.2
12.3	Change of Premium Rates	Liberty does not guarantee premium rates and reviews them at least once each year. When reviewing the premium rates, Liberty will investigate the extent to which the pricing assumptions used to calculate the premiums varied from the actual experience and Liberty expectation of future experience. These assumptions include but are not limited to the expected: - Claims incidences - Renewal costs of providing the policy - Lapse rates - Interest rates; and - The average age and demographics of the lives assured on the product as a whole. Furthermore, Liberty reserves the right to appropriately adjust the benefits payable and the premium of this policy if: • Any legislation or regulation (including tax legislation or regulation) affecting this policy or Liberty is introduced, • The Legal interpretation or understanding of any legislation or regulation (including tax legislation or regulation) affecting this policy or Liberty has changed; or • Any other circumstance that is beyond Liberty's reasonable control affects this policy or Liberty. Circumstances beyond Liberty's control is defined under the Force Majeure clause in this policy; or • Such adjustment is necessary to ensure that actual benefits paid each year are similar to the expected benefits payable (which are adjusted by Liberty's expectation of current and future experience, including the economic climate, claim incidences as well as the age and demographics of the lives assured). Liberty and Standard Bank Insurance Brokers Ltd (SBIB) will let you know about any change at least 31 days before it happens.	15.3
