74. Other provisions

(a)

Amendment to the Terms and Conditions

The Terms and Conditions set out in the Programme Memorandum are hereby amended in respect of this issue of Notes as follows:

By the deletion of paragraph (a) in the definition of "Relevant Debt" set out on page 38 of the Programme Memorandum which states as follows: "(a) any indebtedness incurred in the ordinary course of business of the Issuer;"

Accordingly, the definition of Relevant Debt will now be as follows:

"Relevant Debt" any present or future indebtedness of the Issuer in the form of, or represented by any bond, note or debenture issued by the Issuer and listed on a financial or stock exchange but excluding:

- (a) pursuant to any securitisation scheme or like arrangement; or
- (b) any option or warrant in respect of any share or index; or
- (c) any written acknowledgement of indebtedness issued by the Issuer to the SARB."

No other changes are made to the Terms and Conditions

(b)

Additional Applicable Definitions and Provisions

Base CPI:

means 119.7, being the CPI Index value for the Issue Date

CPI Index:

means the weighted average of the consumer price index as published by Statistics South Africa, which is referred to as "Headline CPI – All urban areas (primary and secondary)" in Statistical release P0141, or such substituted index as may be determined by the Calculation Agent

Reference CPI:

means the CPI Index for the fourth calendar month preceding the calendar month in which the applicable Interest Payment Date occurs, where the applicable Interest Payment Date is the first day of any calendar month. If the applicable Interest Payment Date occurs on a day other than the first day of a calendar month, then the Reference CPI shall be determined in accordance with the following formula:

$$\text{Ref. CPI} = \text{Ref. CPI}_j + [(t-1)/D] \times (\text{Ref. CPI}_{j+1} - \text{Ref. CPI}_j)$$

Where:

- (a) *Ref. CPI_j* is the Reference CPI for the first day of the calendar month which shall be the CPI Index for the fourth calendar month preceding the calendar month in which the applicable Interest Payment Date occurs;
- (b) *Ref. CPI_{j+1}* is the Reference CPI for the third calendar month preceding the calendar month in which the applicable Interest Payment Date occurs;
- (c) *t* is the calendar day corresponding to the applicable Interest Payment Date; and
- (d) *D* is the number of days in the calendar month in which the applicable Interest Payment Date occurs

Adjustment to CPI Index:

If the CPI Index is reset, then a new Reference CPI that is applicable for the Issue Date will (if the Calculation Agent deems it necessary) be calculated in such a way that the Final Redemption Amount is the same immediately before and after the reset

Failure/delay of Index to published:

If as a result of a one month delay in the publication of the CPI Index, the Reference CPI is not available in order to make a determination in accordance with the formula above, then subject to the terms below, a substitute CPI Index value calculated as follows will be used:

$$CPI_m = CPI_{m-1} \times (CPI_{m-1} / CPI_{m-12})^{1/12}$$

Where:

- (a) *CPI_m* is the substitute CPI Index for the month that is required;
- (b) *m* = month

In the event of a delay of more than one month, *CPI_m* shall be determined in accordance with the following formula:

$$CPI_m = CPI_{m-n} \times (CPI_{m-n} / CPI_{m-n-12})^{n/12}$$

Where:

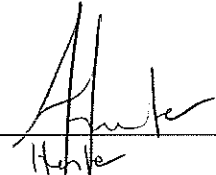

- (a) *n* is the number of months' delay

When the above formulae are used to calculate a substitute Reference CPI value, then such formulae shall be used for all subsequent calculations that rely on that month's index ratio, and shall not be replaced by the actual Reference CPI when the CPI Index is reported, except for use in the above formulae. Further, when the above formulae are used to calculate a substitute Reference CPI value, the last CPI Index that has been reported will be used to calculate Reference CPI values

for the month(s) in which the CPI Index has not been reported timeously

Application is hereby made to list this issue of Notes on 23 January 2012.
